

July 2009

Dear Parents,

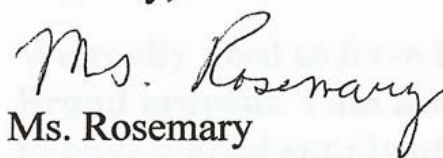

Welcome to Boone Preschool! My name is Rosemary Ulrich and I will be your child's teacher for their Pre-Kindergarten year. I am happy to have you as part of my "STARS" Class.

This will be my 13th year at Boone. My husband John and I have lived in Lees's Summit for 22 years. We have four sons, Chris, Ryan, Eric and Dustin. My two oldest are college graduates, Eric is a Junior at Northwest Missouri State and Dustin will be a Senior at Lee's Summit North. We are very proud of all the boys, they have kept us very busy!

I have a degree in Elementary Education from Kansas State University and have taught 3rd, 5th and 6th grades. I have truly enjoyed the preschool age for the past 12 years.

We plan on having lots of fun while helping your child develop important Pre-Kindergarten skills. I look forward to meeting each of you at our Open House in August. Please come visit us all before the first day of school. I have also enclosed a supply list for our class. I hope to see you all soon.

Sincerely,

Ms. Rosemary
